

SHAKESPEARE LIVES AT IFOA

Shakespeare Lives in Poetry.

To celebrate the international influence of Shakespeare, during the year of the 400th anniversary of his death, the British Council is bringing international poet and facilitator, Deanna Rodger to IFOA to work with emerging spoken word poets.

Taking Shakespeare's sonnets as inspiration, this workshop will explore how sonnets can be utilised by contemporary voices in fresh and unexpected ways to talk about their lives today. The workshop will culminate in a performance by the participants sharing the work they create.

Deanna Rodgers (UK) is an international performer and facilitator. Recently featured as one of ELLE UK magazine's '30 inspirational women under 30, she is a former UK Poetry Slam Champion and has written and performed commissions everywhere, from Buckingham Palace to BBC Iplayer. Deanna co-curates two leading spoken word events: Chill Pill and Come Rhyme With Me and is a member of Keats House Poetry Collective.
